## After Care Program 2022 – 2023

### Who is it for?

Washington Christian Academy's After Care Program is only for WCA students in Kindergarten through Fifth grade.

### When will it operate?

It will operate on school days from 3:15 pm to 6:00 pm on full days of school, and from 12:15 pm to 6:00 pm on half days of school. After Care is not available on days when school is not in session.

### What is the program?

The program will be staffed by a Director and an Assistant. It will meet in a classroom. The following activities are examples of what can be provided:

- Snack Time (Children will bring their own snacks)
- Homework Time
- Free Play Time both inside and outside

### How much will it cost and how is it paid? (No increase this year!)

The cost is designed so that the more you use it, the less it will cost per day. Facts will deduct all amounts due from the bank account or credit card you have on file with them.

- **Full Year – \$3,000** After Care for every full day and half day of school until 6:00 pm. \$300 monthly payment is collected by Facts from September through June.
- **By the Week** – If you do not sign up for the full year, all other costs will be calculated weekly and billed monthly. The amount for the month will be collected by Facts the next month.

- Attend one day of the week - \$30
  - Attend two days of the week - \$55
